Royal College Of Physicians & Surgeons A Charity That Received "Pandemic" Bailouts

Business Name	Operating Name
COLLEGE OF PHYSICIANS AND SURGEONS OF NEWFOUNDLAND AND LABRADOR	
THE COLLEGE OF FAMILY PHYSICIANS OF CANADA	
The Royal College of Physicians and Surgeons of Canada / Le Collège royal des médecins et chirurgiens du Canada	

Showing 1 to 3 of 3 entries on this page

A topic that hasn't been covered in quite some time is the long list of business and organizations that received bailout money from the CEWS Program. Of course, this is short for the Canada Emergency Wage Subsidy. There were a few colleges Of physicians & surgeons that got it.

- Royal College Of Physicians & Surgeons of Canada
- College of Family Physicians in Canada
- College of Physicians and Surgeons in Newfoundland and Labrador

Granted, the program did end over a year ago, but it doesn't erase the fact that so many organizations received this money in the first place.

This can be easily verified by visiting the CEWS Registry (see new link).

About the Royal College, there are 2 different charities: (a) The Royal College Of Physicians & Surgeons of Canada; and (b) Royal College Of Physicians & Surgeons of Canada Foundation.

It's worth pointing out that registered charities also automatically were eligible for CERS, the Canada Emergency Rental Subsidy, and other lockdown grants.

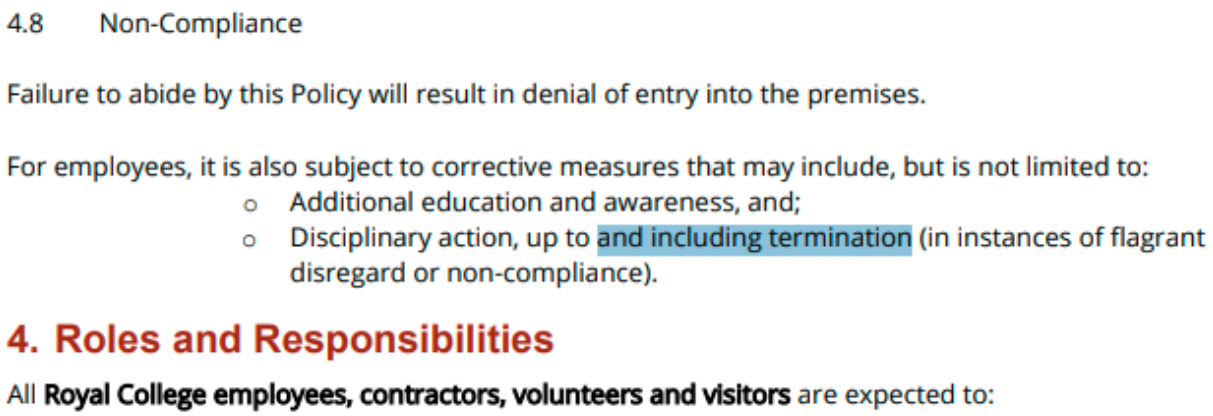
Total compensation for all positions: $35,073,801.00
Full-time employees: 327
Part-time employees: 57
Professional and consulting fees: $6,969,896.00

Compensated full-time positions:
$200,000 to $249,999: 1
$250,000 to $299,999: 1
$300,000 to $349,999: 4
$350,000 and over: 4

The Royal College Foundation, by contrast, is much, much smaller. It seems primarily geared towards bursaries and scholarship opportunities for medical students.



4.8 Non-Compliance

Failure to abide by this Policy will result in denial of entry into the premises.

For employees, it is also subject to corrective measures that may include, but is not limited to:

- Additional education and awareness, and;
- Disciplinary action, up to and including termination (in instances of flagrant disregard or non-compliance).

4. Roles and Responsibilities

All **Royal College employees, contractors, volunteers and visitors** are expected to:

The Royal College announced in the Fall of 2021 that people who haven't taken at least 2 shots would be prohibited from entering the premises. However, it appeared that taking tests within the last 3 days would be an alternative. Failure to comply meant possible termination from employment.

The requirement for entry would apply to:

- Employees
- Visitors
- Contractors
- Volunteers
- Members of the public

For employees, this would presumably mean tests at least twice per week. Never mind that no virus has ever been proven to exist. This is only the Royal College Of Physicians & Surgeons of Canada.

Why would they play along with this? One possibility is that they know how financially beneficial the bailouts and charity designations are.

The Royal College is also part of HEAL, a coalition of health groups that lobbies Ottawa on issues such as: “mental health, health care improvement, opioids, pharma care, seniors care and other priority health topics”.

The College of Family Physicians of Canada (which also got the CEWS bailout), is part of that Federal lobbying coalition.

It's interesting that no organizations within HEAL did much to push back on the implementation of vaccine passports in late 2021. Have to wonder why.

So tax payers, all of us essentially pay for the bribery of all the officials and extras to violate our rights ,basically bought our very own incentivized coercion ? When a government does this , first signs of such corrupt behaviour all involved should be strictly and immediately removed . We really need to tighten up our laws to contain big government and implement more choke holds and just pure punishment for such cretans! Getting more and more unsavoury by the minute
